

AIR DISTRIBUTION PRODUCTS

Kitchen Ventilation Systems

Unique Air Distribution Products

Hazardous Gas Liquid and
 Material Monitoring

Control Dampers and
 Architectural Louvers

Custom Air Pollution Control Systems
 Carbon Monoxide Exhaust
 Welding Fume Exhaust
 Dust Collectors

Inline Duct Fans | Iris Dampers
 Industrial Fans

Fabric Air Dispersion Products

Commercial / Industrial High Volume
 Low Speed Destratification Fans

Flexible Duct and Fittings

Centrifugal and Vane Axial Fans
 Dampers and Louvers
 Energy Recovery | Fans and Ventilators
 Laboratory Exhaust Systems
 Make up Air Units
 Packaged 100% Outside and Return Air Units
 Hot and Chilled Water Coils

Commercial and Industrial Ceiling Fans
 Air Curtains

Oval and Spiral Ductwork

Cable Operated Remote Dampers

Welding Fume Extraction Products

Actuators | Electric Duct Heaters
 Humidifiers | Actuated Valves

Corrosion Resistant Polypropylene Fans
 & Blowers

Silencers | Displacement Ventilation
 Grilles, Registers, and Diffusers
 Security Products | Specialized
 Environments
 Terminal Units | Underfloor Products |
 Sound Control

Standard & Custom HVAC Silencers,
 Acoustical Panels, and Acoustic Louver

Air Curtains | Infrared Heaters | Electric
 Baseboard, Cabinet, Ceiling, Wall
 Heaters | Radiant Ceiling Panels

Direct and Indirect Gas-Fired
 Make up Air Units
 Air Rotation Units | Infrared Heaters

Air Curtains | Infrared Heaters | Electric
 Baseboard, Cabinet, Ceiling Wall
 Heaters Radiant Ceiling Panels

Roof Curbs | Equipment Rails
 Pipe and Duct Pedestals

Fiberglass Reinforced Plastic Duct
 Products

Air Purification Systems
 Kitchen Exhaust Filtration Systems

MECHANICAL PRODUCTS

Industrial Dehumidification
 Ice Arena Dehumidification
 Indoor Pools
 Dedicated Outside Air Units

Central Station Air Handling Units
 Air Cooled Chillers | Water Cooled Chillers
 Ice Thermal Storage Systems

Custom Air Handling Units
 Packaged Rooftop AHUs

Model RV/RVE: 800 to 13,500cfm | up to
 3in. wg | Cooling options: packaged direct
 expansion, split direct expansion, chilled
 water | Heating options: indirect gas,
 electric, hot water

Hays Fluid Controls

Air and Water Cooled Process Chillers

Packaged RTU | Commercial Controls
 Split Systems

Mini-Splits | VRF Systems | PTAC's

Commercial
 Residential HRV's and ERV's

Make Up Air | Custom Air Handlers

1.6" Double Wall Modular Blower
 Coil Units | 2" Double Wall Modular
 Air Handling Units | Energy Recovery
 Configurations Available

Water Source Heat Pumps and Chillers

Vertical Stack Fan Coils &
 Water Source Heat Pumps

CONTROLS PRODUCTS

Intelligent Measurement Solutions

Airflow Measurement and Control

Hazardous Gas Liquid and Material
 Monitoring

Powering Business Worldwide
 Variable Frequency Drives

Variable Frequency Drives

Flow Meters and BTU Meters

Critical Environment Monitors
 and Controls

Laboratory and Hospital Monitors
 and Controls
